- Voters who do not have a Maine license, I.D., or Social Security Number must write "None"

When should I do this? Sooner is better! The deadlines are:

- To register to vote online: You will need to submit your registration three weeks before Election Day so that your Town Clerk has time to process the application at <https://registertovote.sos.maine.gov/> (link in the QR code to the right)
- To register by mail: Your registration needs to be received by your city or town clerk by the Tuesday three weeks prior to the election. Call your City Clerk to request that they send you a registration form
- New voters who register by mail must provide a copy of their I.D. (see above) with the registration card and a document showing their address
- To register in person: Go to your town hall. In Maine you may also register at your voting place on Election Day

Where do I go to vote?

- Call your city hall or town office
- Look up your town online by scanning the QR code to the right or going to www.maine.gov/portal/government/edemocracy/voter_lookup.php

Time of Voting Places: Most voting places open between 6:00 AM and 10:00 AM on Election Day, and can vary. All voting places close at 8:00 PM. Call your town office for confirmation

ABSENTEE BALLOTS Your city or town clerk must receive your absentee ballot by 8:00 PM on Election Day.

- If you are registered to vote, ask for an absentee ballot from your city or town office. You must ask for one **by the Thursday before the election**
- You can also ask for an absentee ballot for an immediate family member. The city hall or town office will tell you who is considered an immediate family member
- You may use a ballot drop-box outside your town hall instead of mailing it in
